Re: Your letter dated 7 June 2004

Dear Mrs. Den Haan,

Thank you very much for your letter of 7 June 2004.

I would like to assure you that Fugro places its ethical responsibilities high in its order of priorities. Companies within the Group carry out projects globally both onshore and offshore. In many of these countries political sensitivity and social responsibility are essential.

We will investigate if one of our subsidiaries is involved in the project as described by you in your letter and I will come back to you at short notice.

I suggest that we await the outcome of this investigation before having a meeting.

Yours sincerely,
Fugro N.V.
